

CITY OF LODI

PUBLIC WORKS DEPARTMENT

COUNCIL COMMUNICATION

TO: City Council

FROM: City Manager

MEETING DATE: February 1, 1989

AGENDA TITLE: Award bid for Purchase of Dump Truck

Project Data

Originally Budgeted: 1988/89

Budgeted Fund: 12 - Equipment Fund

Amount Budgeted: \$53,440.00

Bid Opening Date: 1/18/89

RECOMMENDED ACTION: That the City Council approve the purchase of a dump truck from Interstate International, Inc., in the amount of \$44,350.00.

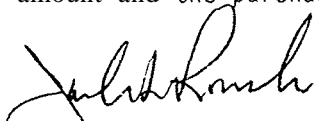

BACKGROUND INFORMATION: This project consists of replacing a 1976 Ford, 23,000 GVWR dump truck equipped with a mobile radio and emulsion tank used by the Street Division for daily street maintenance.

Specifications for this project were originally approved on November 2, 1988. Bids were opened on November 16, 1988 and two bids were received. Both bidders failed to meet the City's requirements. Specifications were revised to include a longer wheel base and a maximum turning radius requirement and were approved on January 4, 1989. New bids were opened on January 18, 1989 and three bids were received:

<u>Eidder</u>	<u>Location</u>	<u>Bid</u>
Plummer Pontiac, Cadillac, GMC, Inc.	Lodi	\$43,800.42
Interstate International, Inc.	Stockton	\$44,200.00
Sacramento Valley Ford Truck Sales, Inc.	Sacramento	\$48,124.00 - Option #1
		\$42,930.00 - Option #2

Neither Plummer nor Sacramento Valley Ford met the City's required specification for a curb-to-curb turning radius of 45'-0". The truck that Interstate International, Inc. bid does meet the City's specification, which results in increased maneuverability that is critical for the Street Division's operations.

It is recommended that the City Council approve the purchase of the dump truck from Interstate International. The difference of \$150.00 between the bid amount and the purchase price is for an extended engine warranty.
